Tournament of Bands

CUPERTINO - In past years, bands participating in the Tournament of Bands at Cupertino High School had two different beats to march to—the drums and the rain.

To try to avoid the November drizzles, this year's event was moved to Saturday, October 12. A total of 50 high school bands marched down Stevens Creek to the football field. Local bands participating in the fourth annual event came from Lincoln, Del Mar, Live Oak, Los Altos, Los Gatos, Monta Vista, Piedmont Hills, Prospect, Saratoga, Silver Creek, and Westmont high schools.

Tournament of bands is sponsored by a corporation of parents of band members. Mayor Reed Sparks proclaimed the week of October 7 as Tournament of Bands week.

As hosts, CHS's outstanding band was not considered in the competition; however, their overall score was the best in the parade. Pictured at the left is Drum Major, Kevin Grady.

Whodunit?

CUPERTINO - The 1975 senior class started its pranks early this year. The first in a series of pranks was the implantation of six inches of concrete in the senior lawn. The concrete perfectly outlined the number '75. The removal of the prank was charged to the senior class treasury. However, several spirited seniors came to the rescue and replanted the lawn at no cost to the class.

Another prank , which wasn't so permanent as the concrete '75, was discovered early one morning in October. All of the trash cans in the school had been stacked up inside of each other in the middle of the senior lawn. The wooden sign given by the class of '73, "Cupertino National Park," and some flowers had been placed in front of the trash cans.

With these two events, the class of '75 kept up the tradition of all seniors—showing their spirit in original ways.

Take Care & God Bless!

Kim,
you are 1 h--l of a person. you have good sense of humor, are nice, and everything else that goes along with being a person like you. I'm really glad I got to know you because despite your friend (I won't mention any names) you have still managed to be the unique person that you are. Maybe I should mention her name - SHAUN - I don't really know her and I've heard alot of things on the negative about her, but I know better to make judgements on what I've heard; besides, if she has a friend like you, she can't be all that bad. Well, you'll be a junior next year and you will really be an upper classman (woman); I can't say a whole year's worth of stuff in one writing (no, a whole semester) so I'll leave this at this. Have a fun summer. Bye,
Love,
Susan

Kim,

You have been one of the nicest people in the world to me. Even though you do things to me that I don't like and visa-a-visa. we have had some of the worst times together and I will never ~~too~~ forget them. I really don't know ~~se~~ how you put up with me. At times I can be the biggest grough and snob to you. one of these days you will get the guy you want so don't worry about it if you get Daryl or not. You have tried for alot of guys this year but you didn't get every single one but you got enough of them. I hope you make A corp this summer or when ever you try out. I know vanguard means Alot to you. I know I get happy when you have to quit because then we get to be together more, but deep down I am hurt because you can't be where you want to be. I will always be thankful to you for the things that you did for me. Well the bell just rang so I have to go.

See Ya later

We dedicate this yearbook in sincere appreciation to Mr. David Pitman, former Director of Student Activities. We will long remember his concerned leadership and enthusiastic approach towards all phases of student life. All of those who knew Mr. Pitman during his 15 years at CHS will always recall his devotion to our school. We wish him the best at Fremont High School and want him to know that his memory will linger on in the hearts of all of us who were touched by his kindness. Thank you, Dave.

Homecoming

CUPERTINO — On October 19, 1974, Miss Jane Zwieg was crowned the fourteenth annual Homecoming Queen. The ceremonies were held in the CHS stadium, and the 1973 homecoming queen, Trena Moore, returned to make the coronation official.

The Key Club did an outstanding job of organizing the event. All of the girls were driven in 1957 Thunderbirds of various colors. They were presented with lovely bouquets.

Each princess was escorted down the field by a member of the Key Club. The escorts for the event were: Scott Campbell, Bob Mahan, Glenn Stewart, and Bill Moorman who guided Freshman princess, Susie Shakely, Sophomore princess, Julie Love, Junior princess, Lisa Taylor, and Senior princess, Nancy Tamas across the band formed crown. Queen Jane was escorted by Key Club President, Bill Hazell.

After the half-time ceremonies were complete, Queen Jane and her court presided over the dance sponsored by the ASB. The band was Destiny.

At a Key Club sponsored dance on the preceding weekend, all of the candidates for class princesses and queen were introduced by ASB President Tom Campbell. The band for this first dance was PaPa Du Run Da Run. Money raised from this dance went towards the annual Christmas baskets given by the service organization. See the class sections for the girls nominated by each class as homecoming candidates.

Senior Administration

Senior Level Counselors: Mrs. Marjorie Till and Mr. John Christensen

Four years ago we never thought we'd say, "We'll miss you." As this time has come, however, we find that we will miss you. We're proud of the way most of you have grown, learned, and taken advantage of the many opportunities in these four years. We wish you could stay, but know you can't, so we wish you success and happiness in whatever lies ahead. We hope the four years you have spent here have at least, at times, been productive and useful. All the needs of all people will never be met all the time—hopefully, though, you will leave with some real values and knowledge from being with us. Go forward to new and exciting experiences with the comfortable feeling of having made good friends and the confidence of knowing your knowledge has increased.

Your dean, your counselors and teachers hope you will come back to visit. Whether or not you do, know that we continued to care about each of you.

Mrs. Laurette Cannon

Senior Level Secretary: Mrs. Ulga Barry.

The class of '75 began its Senior year by helping supply the leadership and spirit needed to win the long sought after football Jamboree Spirit Award. This was a good way to start our fourth and final year at C.H.S.

This was the year our senior Powder Puff football team was undefeated, untied, and unscored upon. This was a fantastic way to finish two memorable seasons of a sport that involved a total of 75 girls.

Other senior activities included a Jr. and Sr. Funnite, the senior-faculty basketball game, the Senior Ball at the San Francisco St. Francis, and the Senior Picnic.

On this my last time with you I want you all to know how very much I have enjoyed being your advisor, I will think of you often.

Mr. Schmiedt, Counselor

Mr. Scarper, Fall Dean

Spirit of '76

The class of '76 set a new all time high for the number of class deans serving them. At the start of the 1974 school year, Mr. Marv Scarper became the third class dean in as many years. In February he was moved to Acting Vice-Principal to fill the vacancy created by Mr. Fernandez' sabbatical leave. At the same time, the class got its fourth dean. Mr. Tim Cuneo moved from Head of the Science Department to Acting Dean of the Junior Class. He is a familiar friend and the whole class enjoyed working with him.

Counselors, Mrs. Carlson and Mr. Schmiedt continued to be the backbone of our class guidance program, helping to make our junior year the best so far.

Bottom Left are the Spring Officers: Pres.-Liz Escano, V.P.-Elaine Wright, Treas.-Craig Dykes, Sec.-Mickie Anderson, Rally Chm-Robin Mitchell, Soc Chm.-Lynn Fisher. Bottom Left are the Spring Officers: Pres.-Liz Escano, V.P.-Elaine Wright, Treas.-Craig Dykes, Sec.-Mickie Anderson, Rally Chm.-Robin Mitchell, and Soc. Chm.-Jeani Horn.

The class of '76 entered school this September with a new and mature outlook toward their responsibilities as upper classmen. A spirit of co-operation was forged with the Seniors and two outstanding events were the products: a joint Jr.-Sr. fun night and a successful and exciting season of Powder Puff Football.

Not wanting to lose their individuality as Juniors, the class also sponsored a school-wide carnation sale, a Junior Prom, a team in the inter-class relays, and a spirited and active section at rallies. Many members of the class also participated in Student Government Activities.

The Junior class is truly a group of individuals who collectively have the ability to show a class cohesiveness and a spirit that is 'sky high'.

It is a pleasure to be a part of this class and I look forward to their senior year with eager enthusiasm.

Class Advisor

Class of '77

The Sophomore year. GOOD GRIEF. A year of transition, maturation, joy, and frustration—you're a super group and it's a pleasure to be associated with the class of '77. Have a good summer and we'll see you next year.

Class Officers

The class of '77 made further contributions to Tino spirit and school leadership during 74-75. Mr. Ed Brackenbury, the class advisor, announced an outstanding group of class officers who were elected to guide the '77 machine to great fun-nights and successful rallies. Special thanks goes to Bob Mahan and Larry Harley for serving as presidents and to Sharie Kumaishi who did an exceptional job as chairman.

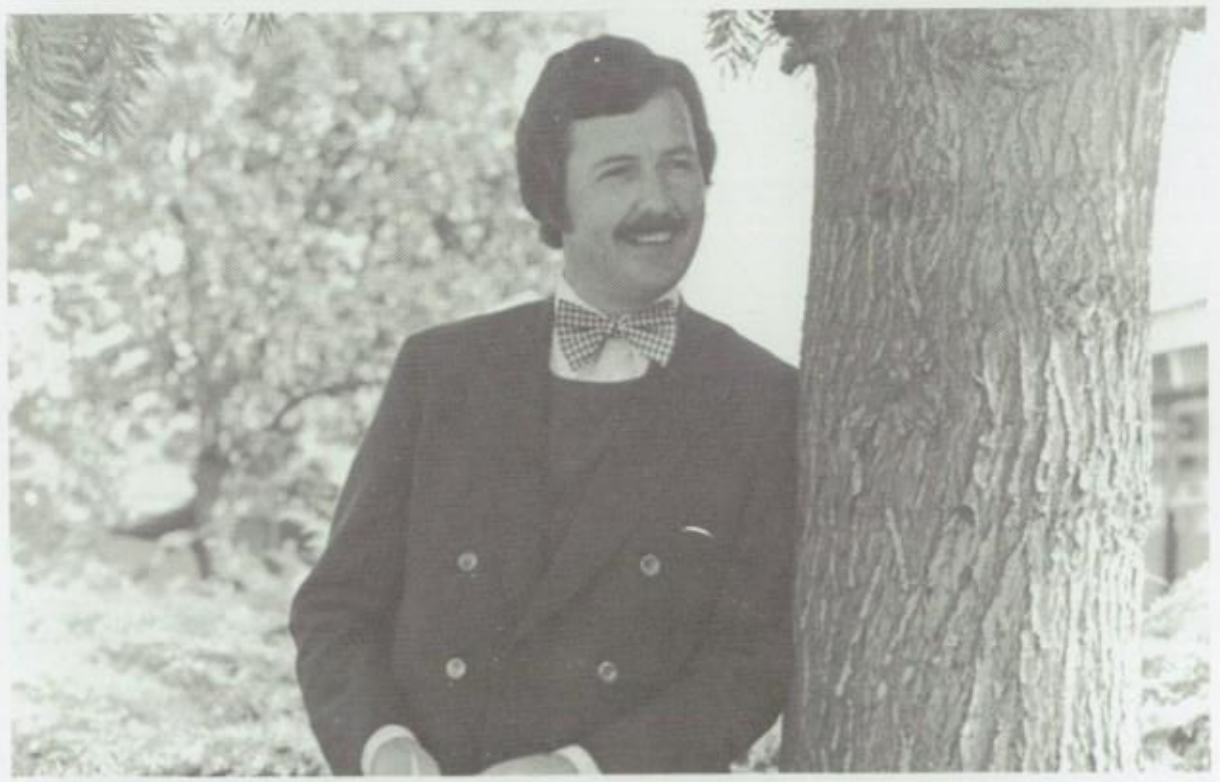
Freshman Class of 1978

Mrs. Marty Ainsworth, Counselor

Mr. Bill Benesh, Counselor

Mrs. Susan Fogg, Secretary



Mr. Don Norby, Dean

The class of 1978 began the year by quickly getting into the swing of Tino spirit by actively participating in the jamboree and nearly placing second in their first "Freshmen-On-The-Floor" rally. With class-card sales, a football concession and by selling programs at basketball games, the class increased its treasury to bounds unequaled by other freshmen in Cupertino history. Led by fall president, Scott Campbell, the Class also held a very successful fun night, wrote the class constitution, designed the class banner, all of which helped to start the class of '78 on the right direction towards building a tradition of involvement and dedication. I have really enjoyed being the class advisor and look forward to three more rewarding years.

Pioneer Day

Pioneer Day is an annual event sponsored by the Parent Faculty Club. Funds from the carnival are used for school projects and scholarships. This year we grossed $2,700. With the guidance of our Dean of Students, Harry Bettencourt, and Student Chairman, Tom Campbell, Pioneer Day was a great success. The scholarships recently awarded are financed by this yearly occasion.

Pioneer Day Princesses and escorts are: (from left to right) Bill Hazell, Kim Mayne, Dan Davies, Monica Landry, Mike Raney, Jill Sall, Tom Campbell and Shannon McFerran.

NFL

The National Forensic League is "friends reaching out to friends and strangers reaching out to strangers." Anyone who participates in speech contests and social events may be an affiliate member, but full membership in N.F.L. requires points earned in tournaments and a minimum "C" grade average. Each year they attend two Southern California meets and one Northern California meet with regular tournament schedule. Social events included parties, side trips to Disneyland and Lion Safari. Most of all, we gained from sharing.

Editorials

Each school year is a new chapter in the biography of a school. New pressures, influences, personalities, short range goals, needs and concerns mold and shape the direction for curriculum and activities. This year a primary concern was the economy and its effect on the monies available for use in providing material and services for the educational program. With cooperation and planning we met the challenge to maintain programs to meet your needs. The key is "cooperative spirit."

Gale Morelock
Vice-Principal

As long as we live, we have the responsibility to learn, to develop and to become.

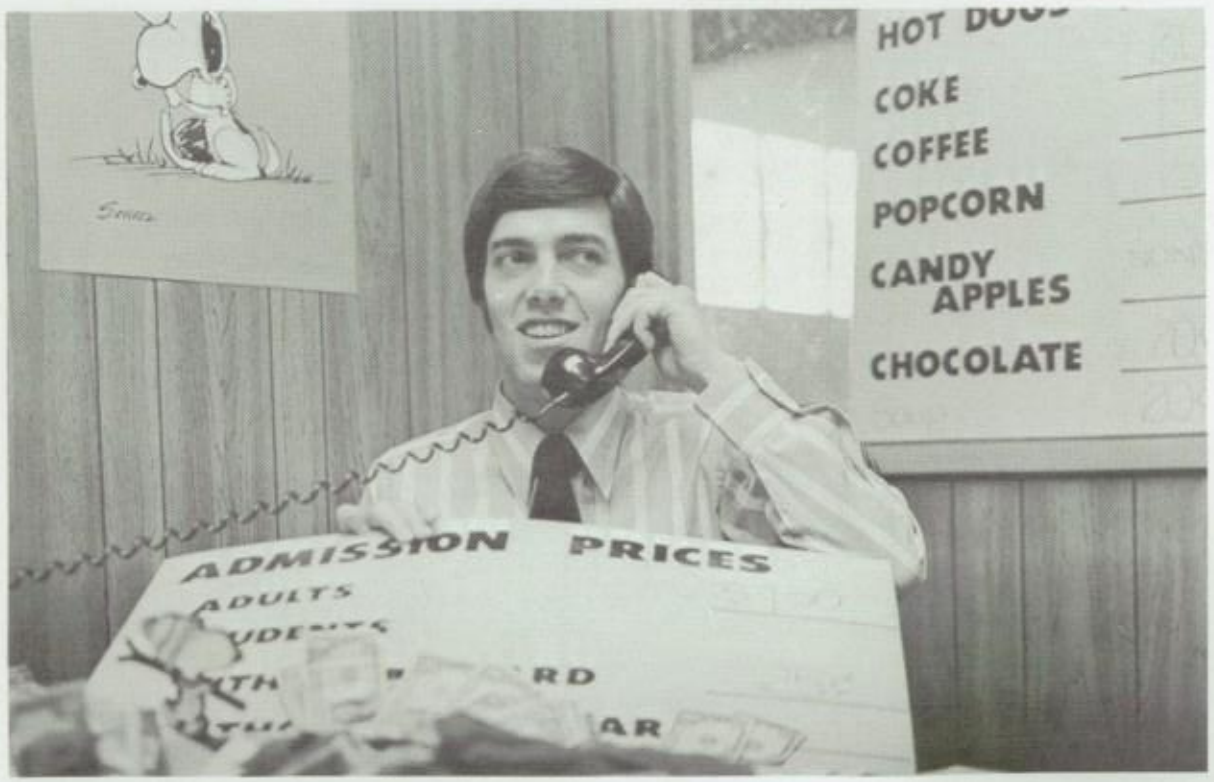
We learn largely from our freely chosen experiences, what we read, which people we listen to and imitate, what we see and hear, and what thoughts occupy our minds.

Youth has been regarded as the period of preparation in the individual's life-span. Indeed your major effort is that of preparing yourself for future adult roles and tasks. The plans which you make, the decisions which you render, and the experiences which you engage in during these adolescent years will affect profoundly the entire future course of your life.

True motivation comes not from fear of examinations, but from a skillfully developed appetite to know. The most successful and enduring learning is that which results from curiosity, interest, and the desire for understanding. Motivation of this kind makes learning an intensely satisfying experience.

This yearbook encompasses a year of activities and a leaf in the life of Cupertino High School. I hope you have had an opportunity to become an integral part of our school life. May I remind you as your education continues that the key to motivation is truly the involvement of total self in the ongoing programs at school and in the community.

George Fernandez, Principal



Mr. Harry Bettencourt is Cupertino's Dean of Students. His message appears on page 59.

Your yearbook will always have a special meaning for you, I hope, because it tells the story of one of your high school years. I would hope, also, you read this story with a feeling of satisfaction and fulfillment for your personal contacts and friendships, as well as for your academic and extra-curricular accomplishments. Remember, these are your years; make the most of them!

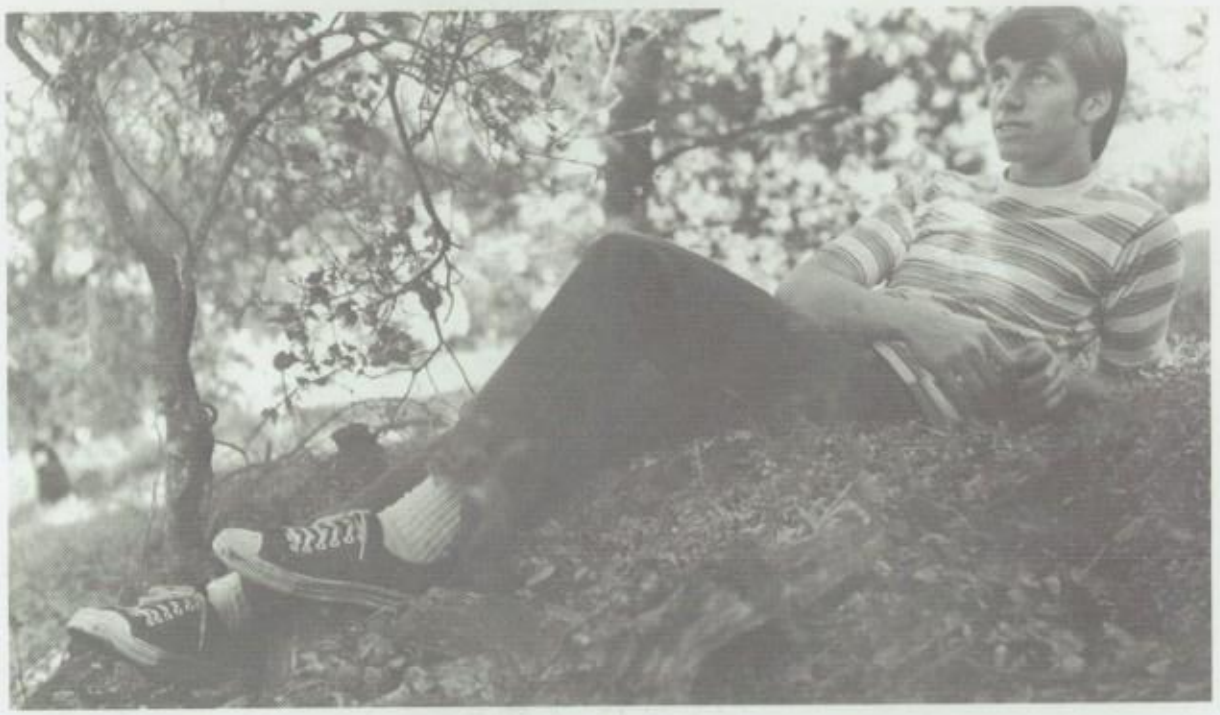
Members of the Prospector Staff pan for gold in the CHS Science Pond. Pictured below: Mrs. Elsorady lets everyone know she enjoys being the Staff Advisor.

The Prospector is published for students once a month by a twenty Member staff and two supporting Jounalism I classes.

Each month the staff tries to cover as many school sponsored activities as possible such as: athletic events, Student Government, dances, and club activities. The two biggest publications are the Christmas and Senior Editions.

Each year the newspaper staff spends hundreds of hours producing excellent reading for CHS students.

Photography Staff



Pictured at left, above, and at right are a few "ace" photographers: Ray Brooksby, Jeff Harding, and Chris McGeever.

1974-1975 was a year of "great beginnings" for the CHS Photography Staff. It was the first year to be headed by Mrs. Dianne Saunders and with the aid of her "perfectionist's eye," an array of beautiful photographs were compiled for this year's yearbook. The staff worked extremely hard to produce the pictures and the results were quite successful. Our photography staff will obviously grow to outstanding proportions. Pictured far left: The "assertive" Diane Serafini. Middle: student photographer, Earl Elsea. Near left: The "novice ace" Barb Selbach.

ASB Officers

Hi Friend,

We students have much in common: Cupertino gave us a time of sharing joy, happiness, fear and a true spirit of living life to its fullest. I hope that each one of you took advantage of building these treasured memories. I wish you good luck with any challenge that life throws you. I've enjoyed getting to know you.

Take care,
Tom Campbell

Commissioners

This year the Associated Student Body government worked towards a single goal: to enhance the educational process by fostering intellectual growth and by meeting the individual needs of the students. To meet this goal the student leaders worked to improve understanding between groups, to add to the curriculum, to increase student involvement, to improve the physical environment of our campus, and to develop an effective and efficient student government. The class of 1975 provided us with many of the most able leaders in Cupertino's history, shown on this page. In addition there were 16 commissioners who spent endless hours working towards the improvement of student government at Cupertino High School. Special committees (i.e. Teacher Evaluation) and many individuals (Allison Campbell, I.D.C. president; Kevin Grady, Parliamentarian; Bill Zipp and Cindy Miller Committee Chairmen of Teacher Evaluation) helped to round out a most successful year. The Executive and Legislative Councils put on a teacher appreciation breakfast, conducted a constitution revision seminar, organized school exchanges, and put on one of the most beautiful Christmas Balls that the Pioneers have ever seen. All in all, it was a most productive and successful student body government.

He served as summer school principal for two years and work experience coordinator for the same time. In 1969, he joined the Monta Vista staff as a P.E. teacher and coach.

Sartwell is a graduate of the University of Pacific in Stockton and holds a teaching credential from San Jose State University. He has taught at Homestead, St. Francis and CHS.

More . . . on Schools

Often students are unaware of the courses and activities offered to them through Community Schools. The aim of this program is to bring together the needs of both the community and the school by utilizing the school's facilities for activities the community members would like to have. The program is designed to be self-supporting so that the fees paid by the student covers the instructor's salary. As previously noted, Mr. Bob Sartwell is in charge of the program which offers classes on Tuesday and Thursday evenings. He works jointly with the Cupertino Parks and Recreation Department, DeAnza College, YMCA and the Boy Scouts to make the Community Schools a successful, production /addition /to our town. Some samples of course offerings are: duck calling (see picture of Mr. Fernandez demonstrating), dog training, rapid reading, tap dance, motorcycling, rug making, basic stain glass construction, metal and auto shops, and personal self-defense for women.

Pictured at top left is Tricia Murphy Dooley, the Community Schools Secretary. At the bottom left, student works on calculating machines. Top right shows Mr. Hubble supervising the library which he opens for evening use. At bottom right a community citizen learns bridge strategy.

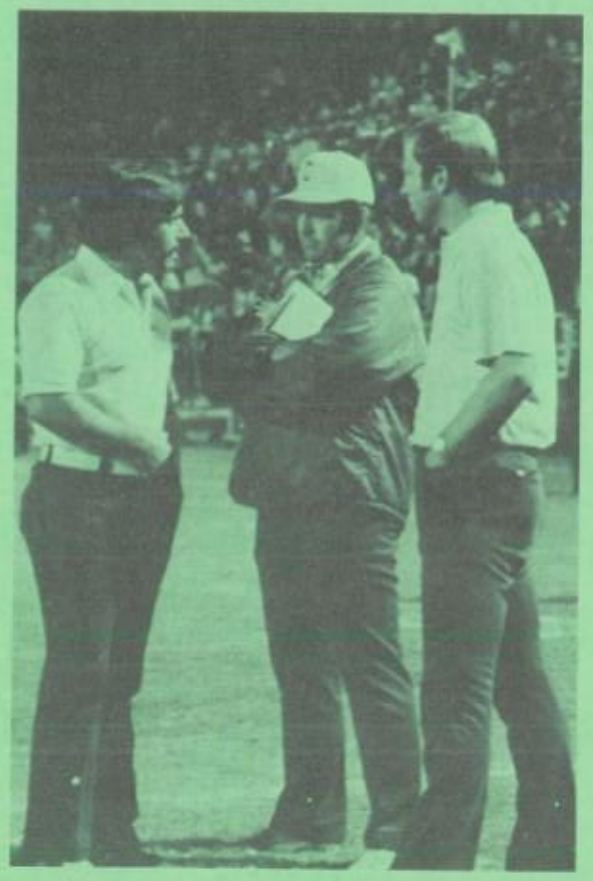
Varsity Football



Tino Varsity Football 1974 will be remembered as the year Cupertino beat the Central Coast Section Champions, Awalt High School. They also had a last second, one-point loss to the Central Coast Section runner-up, Leland High.

All in all, it was an up and down year with plenty of thrills and spills. Being on the short side of two games by a total of three points gave the Pioneers an average season instead of a good one.

Junior Uarsity Football

The Junior Varsity football team closed their season with Cupertino being disappointed and frustrated. The record was 1 win and 8 losses. The team, lead by Rick Napolitan and Brian Oswald, never quit. It is a difficult task for young men to continue to play with enthusiasm — this team certainly did. As long as their attitude and dedication continue to prevail, Cupertino will have some great Varsity days ahead.

Frosh Football

The Freshman Football season was a disappointing one from the win-loss standpoint. With a 1-5-1 record, the Frosh finished 5th in the tough Fremont League. Two players, Jaime Gomez and Tim Shuey, were first team all league selections. Honorable mention included Andy Arnes, Pete Calderon, Vince Jaramillo, Brian Judd, Bill Mendenhall, Chris Raymaker and Mike Calfee. The coaching staff feels that many of the freshmen players will develop into outstanding J.V. and Varsity players. Special congratulations are extended to Mark Shillingburg and Ted Engberg for displaying tremendous courage and attitude throughout the season despite the disadvantage of being the two smallest players on the team.

Cross Country

This year's Cross Country teams entered many invitational tournaments. Both the Varsity and the J.V.'s placed 5th in the league. The sophomore team was the FAL champions and placed 3rd in the CCS. The team was lead by co-captains Chris Jackson and Terry Boyton; the most improved runner was Carl Leal; Phil Regli was selected the Frosh all-league's Most Valuable Runner and Chris Jackson, Steve Jackson, Terry Boynton, and Ray Maathuis received honorable mention. Under the direction of Coach Dooley, this year's team showed much growth and team camaraderie. Pictured at right is Coach Dooley and below, runners take a breather at Vasona Lake.

Varsity Water Polo

The Cupertino Varsity Water Polo Team initiated the season by participating in the Southern California Tournament of Champions in Long Beach. Leading the team through the year were Bill Hazell (All League Goalie and Captain), Bill Hoenig (Most Valuable Player), Kirk Ericksen (All League Honorable Mention) and Ray Wylie. Considering that the top two teams in the league placed 1st and 4th in the CCS and Ray was injured midseason with a broken eardrum, the Varsity's 4-6 record was quite impressive.

The Junior Varsity is proud of its two all league players: Goalie, Steve Ernst; and highest league goal recorder (40 goals), Jim Blomquist. The Captain, Chris Opie, and Most Valuable Player, Ed Madden took the J.V. Team to a 4th place, 5-5 record. Our Frosh-Soph were invited to the Northern California Championships. Through the efforts of Kirk Ericksen, Pete Howald and goalie, Steve Ernst, the team worked its way to 6th place in Northern California. The Frosh ended their season Third in the league with a 5-4-1 record.

The Powder Puff teams had a couple tough schedules this year. To start the season, there was the annual Junior-Senior game. The Seniors won a very close defensive game by the score of 12-0. From there, the Seniors went on to play Gunn High School in another close game. To end the season, the Saratoga Powder Puff teams marched onto our field with great hopes. When it was all over, the Juniors won handily by a score of 38-0, and the Seniors tamed the Wildcats by a score of 44-0.

Hockey

This was not a year for favorable win-loss records for hockey. However it WAS a year of determination, great effort, and spirit on the part of both J.V. and Varsity teams. The team was small which put us at a disadvantage as far as depth is concerned. Our team was also short on experience, having entirely first-year J.V. players and several second-year players on Varsity. This situation will be different next year as we are planning a large-scale recruiting program. Hockey has certainly gained strength in popularity this year. Much of the added attraction was the night hockey games which made it possible for more parents and students to see the action. So, though we didn't win any trophies in the league, I would say it was a successful year for hockey at Cupertino. We are also graduating several hockey players who will be taking their talents to DeAnza and other colleges in the fall.

On the J.V. team the most Valuable player award went to Janell Carillo, a fullback; most improved J.V. was Candi Blair, right halfback. The Varsity Most Valuable player was Vicki Slama, our center forward, who is a three year player planning to compete at DeAnza in September. Most Improved Varsity player was Sue Patrick, a second-year fullback.

C Basketball

This year's C Basketball team was a very competitive squad as they were involved in close ball games throughout the season. Randy Keller, Ron Inouye, and Stan Queen put in excellent performances and were the backbone of the team. Randy Keller was selected for the second team All League while Ron Inouye made Honorable Mention. The Ballclubs' record does not truly reflect how well the team performed.

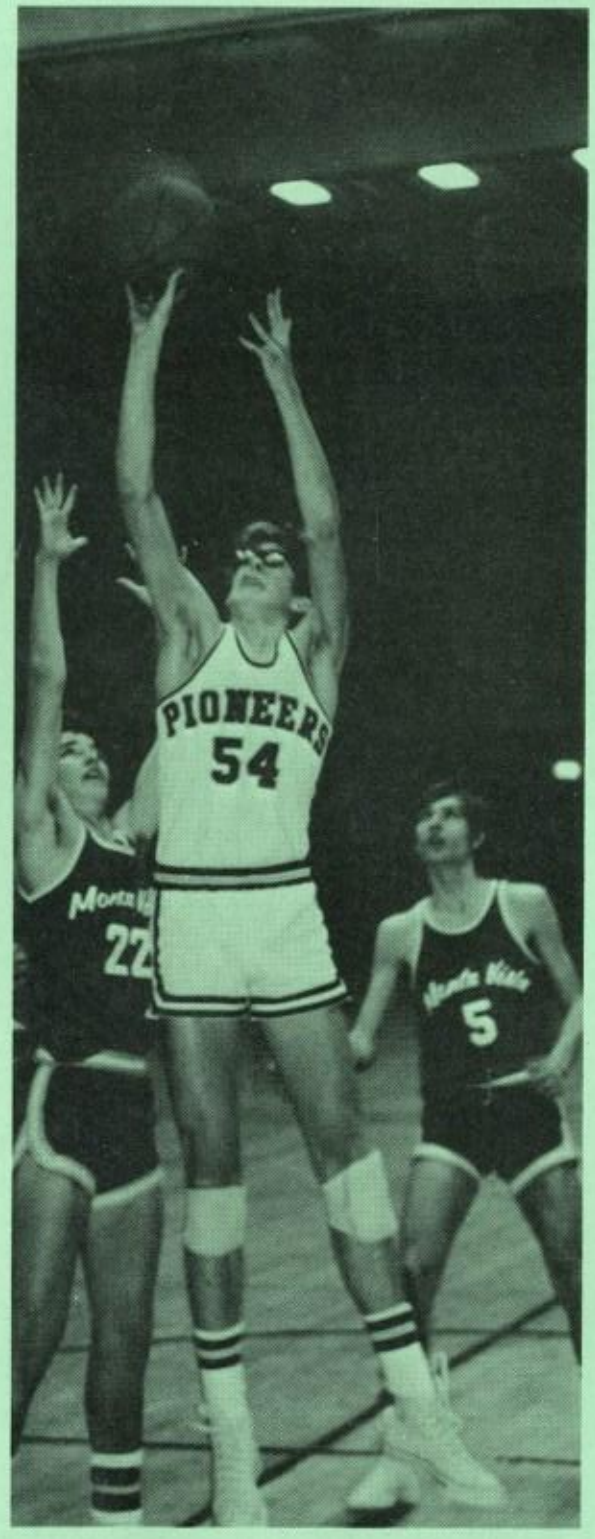
The 1974-75 basketball season was very rewarding for Cupertino High School. They amassed a 13-0 pre-season record, won the Westmont Invitational Tournament, became champions of the prestigious Sunnyvale Christmas Tournament, won the Shaughnessy Playoffs, romped to the Region II victory, went to the C.C.S. semifinals in a win over Monterey, and won the "crown jewel of basketball", the 1975 C.C.S. championship. The victory came in a hard fought battle over St. Ignatius, with a last minute 61-60 win. Their over-all record was 28-1. Coach Mell announced the following FAL all-league selection: M.V.P. Kurt Rambis, Ken Sayre and Steve Dennis, first team, and Dennis Elkins with honorable mention.



squad saw the return of seven juniors combining with eight sophomores in effort to seek their goal of the JV championship, not won since the 1970-71 season. The team took great strides during the month of December towards this goal. They had a non-league record of 9-1. Tough defensive play was lead by Dennis Campbell and Larry Miller. League play proved tough for the Pioneers; we ended .500 in the double round robin. Approaching the last game, we lost the last four games by a margin of eight points. Scores from our 5-5 league season are in the vital statistics section. All-league selections included Dennis Campbell, John Uvodich and Jim Greeley. This year's girls basketball team was one of the strongest Tino has every had. Though the season record shows the won-loss record, it doesn't show how hard the girls worked. Many of the games were very close with the lead changing hands frequently. Outstanding performances were given by Kelly Smithwick and Cheryl Goldsmith, who came off the bench to replace injured Laurel McKenzie. Senior Kim Mayne deserves special mention as she was the playmaker who ran the offense. Coach Quinn expressed confidence that the players moving up to the varsity team for next year will strengthen the team's competitive chanches. See the vital statistics section for individual game scores.

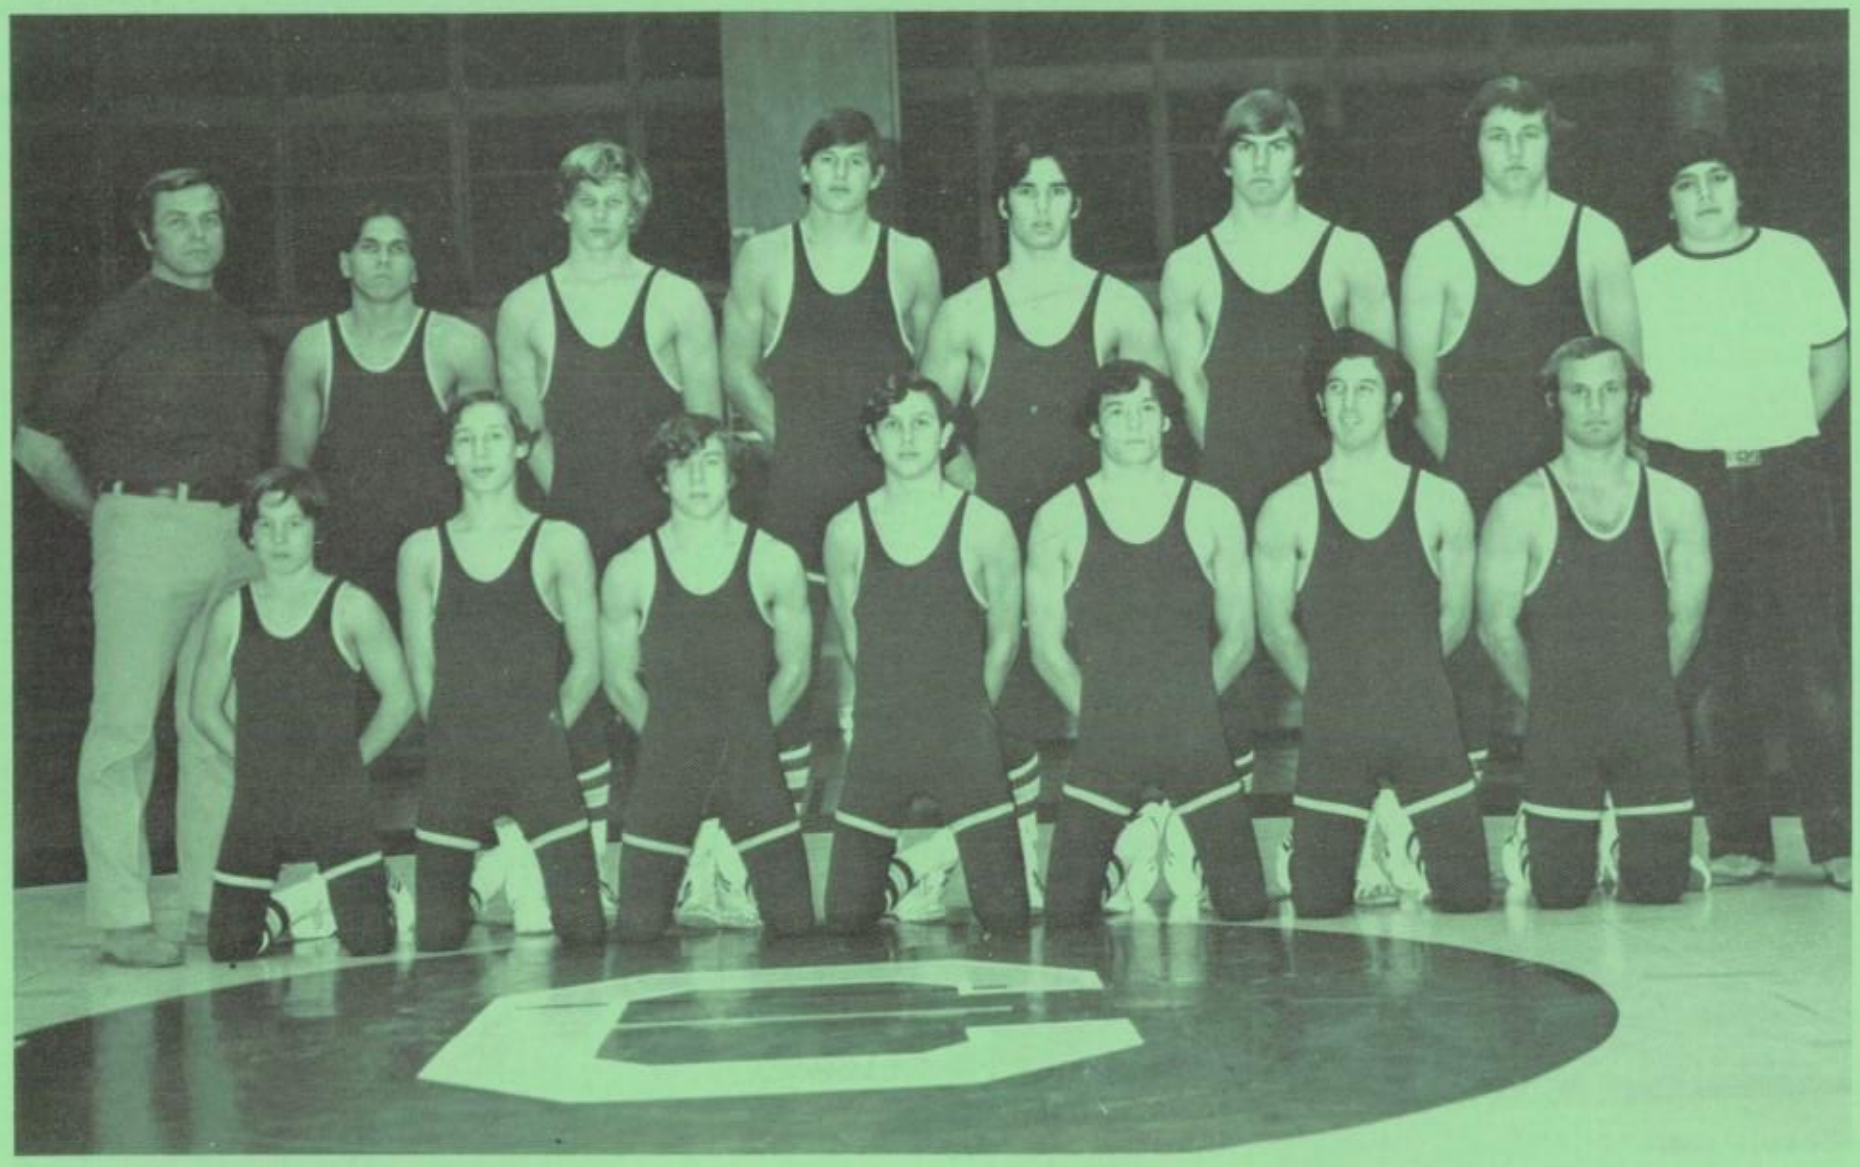
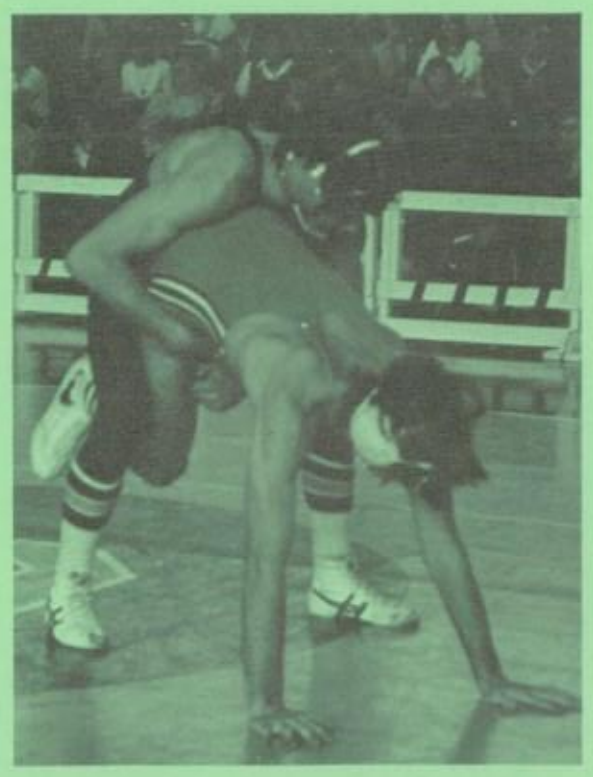
Tino Volleyball was bigger and better than ever this year under the expert guidance of Coach Persons. The number of games played in the evening were increased so that parents and students could attend. During the height of the season, the team had three-hour practice sessions. The varsity squad was led by the great versatility of senior Rose Maasen. At press time scores were not available. Page 98 has their schedule. You may wish to fill in the final tallies.

Varsity Wrestling





The 1975 Varsity Wrestling team had an impressive 10-1 dual-meet record. They piled up a list of victories which included Champions of the First Annual Tino Tourney and the South Lake Tahoe Invatational Tournament. They finished second at both the Del Mar Tournaments and in league competition. Ten of the team wrestlers qualified for the tough Region I meet. Only four members of this outstanding team graduated leaving the remaining nucleus to be a strong contender for the league crown in 1976. For complete scores, see our vital statistics section.

JV Wrestling

The J.V. Wrestling team posted a near perfect season this year. The team's dual-meet record was a flawless II wins and O losses. The team went on to win the FAL Tournament by scoring over 100 points. The combined points in dual meets and tourneies gave the J.V. Grapplers undisputed league chamionship. Some tournament winners include: Mark Shillingburg, Kevin Leimer, Keith Miller, Tim Raymes, Randy Cook, Mike Swanson, Mike Kaufman, Rod Jenkins, Rick Napolitan, Brian Ahrens, Mike Thompson and Brian Judd. C.C.S. Champs!

An excellent team rated #1 in the Central Coast Section, the Pioneers were led by the outstanding Jim Mim Mack, the League-leading scorer.

Tino began its campaign by moving to a 7-0-1 pre-season record, marred only by a tie to Mitty in the prestigious Mitty tournament.

Continuing League play was unblemished except for a loss to Sunnyvale which was later avenged with the help of Mim Mack, Brian Ward, Ray Tracy, Greg Lindberg and Joe Silveira (all-league selection).

Post-season play consisted of a victory over Ravenswood and a Region II title with victory over Buchser, making Tino the CCS champion for the second time in three years. Coach Favro is justly proud of these champions.

Defense was the key to a JV Soccer Championship season. After a slow start, Coach Bean's squad gained momentum and closed the season with seven straight victories highlighted by a last minute overtime victory over arch-rival Monta Vista. The badminton team members compete in both singles and doubles. With many returning starters from last year, Coach Graves has hopes for a winning season.

Warren Jack, John Davis, Soc Gonis, Rick Dudley, and Steve Bonzell round out the experienced players. Coach Ron Pierceall welcomes new duffers Kent Irwin, Brad Heninger, and Ted Engburg to the team; they should give added support to the already strong program. Practice rounds and matches are played on the Fairway Glen course.

This year's Cupertino track team is, once again, a squad fully capable of maintaining its rich winning tradition. It is not easy to follow up two consecutive CCS Championships, but Tino's team is going to try. This year's varsity features quality performers rather than quantity. The best and most versatile track athlete is Don Finley. He is the leader in 7 events: the 100, 220, 440, high hurdles, low hurdles, long jump, and the triple jump. Don's marks make him a much sought after athlete at the college level. Backing up Don will be several other fine athletes: Marion Medeiros, school record holder in the pole vault; Arin Nelson in the hurdles and shot put; and Scott McCarthy in the high jump. The strongest event for the Pioneers is unquestionably the discus. Three people, Ralph Horn, Gary Humpfreys, and Tim Blockinger, are all among the best in the CCS.

At the sophomore level, the track picture looks good, also. With a good group of distance runners headed by Chris Jackson and Terry Boynton; hurdlers Tim Campbell and Rick Napolitan; pole vaulter Brian Brennan, high jumper Jim Viscovich, long and triple jumper Rolando Salangsang and sprinter Mike Hall the sophs could be unbeatable.

The Freshmen team has the ability and talent to be a genuine powerhouse. Andy Anes is one of the most promising weight men in the schools history. Steve Friend is the best of a good group of 440 runners. Phil Regli will keep up the distance end of the team, and Bob Coston will add support in the hurdles.

All in all, Cupertino's track picture is exciting. The varsity appears to be small, but the talent is awesome. The sophomore team is large in numbers and talent, and has good balance in all events. The freshmen are possibly the best group to ever don a Tino thin-clad uniform.

What a relay team!

Laurel gets her blocks set up.

As 1973-74 league champions, the Tino Girls' Track team has won the reputation of being one of the finest teams in the valley. We hold more league records than any other school.

Outstanding performances were exhibited at the Cureton Relays. Top milers are Rene Tuscher and Sue Richter. Sisters, Joanne, Jane, and Patti were the highjumpers and sprinters. Jeani Horn ran hurdles, and Karen Noland and Nancy Cole were exceptional in the 440. Laurel McKenzie concentrated on the long jump; Sue Patrick, Jill Sall, Nicki Garcia and Carolyn Smith competed in discus and shot put. Coach Revoir expressed much pleasure in working with these outstanding competitiors.

Varsity Baseball

At press time, Coach Pitkoff announced exciting plans for the 1975 baseball season. The forecast is very positive because of returning veteran players. Brett Janssen, Mike Freeman, Bill Wrightson, Randy Keller and John Uvodich will form the backbone of the team. New players this year should add strength. Pitchers John Tillema and Mickey Rule promise to give depth to the bullpen. Fans were greeted with a new dugout built by parents.

JV Baseball

The 1975 JV Baseball team featured a well balanced attack. Former freshmen pitchers, Scott Sipes and Kevin McQuiston continued to be strong. Infield posts were manned by Mike Stortz, Jeremy Figueroa, Dirk Capps, and Dave Pickett. Outfielders included Scott Sullivan, Rob Williams, Rick Oswald, Paul Godfrey and Scott Kennedy. Cathchers Paul Winkler and Dennis Wann alternated behind-the-plate duties. Good base running speed, fundamental skills, and aggressive desires helped to make the JV team succeed.

Frosh Baseball

Freshmen Baseball Coach Quinn feels that Tino baseball will have a bright future based on the abilities of this year's Frosh team. Such outstanding players as Jim Josse, John Shea, Mike Hubert and Kevin Ragsac formed the pitching nucleus with Eric Livermore and Bill Mendenhall sharing the catching duties. Other starters included Kurt Rehm, Fred Patrick, Chris Raymaker, Gary Richardson, Gary Errecalde and Doug Shimomura.

Softball

Coach Snider announced that the newly formed Girls' Softball teams are fresh and eager to start the new season. The Varsity and J.V. teams will be very inexperienced because they are composed largely of Sophomore players. The ninth grade class had 28 girls turn out for competition. The schedule includes two practice games and five FAL league games.

Varsity Swimming

The Varsity Swim team got off to a wet and cold start. Four weeks into the season, Coach Barnett stated that the team showed some fine prospects. Returning from last year's team are several seniors: Scott Hahn a distance swimmer. Tom Campbell a sprinter, William Hazell a breatstroker and Bill Hoenig, a potential All-American candidate, swimming all events. Bill's possible selection in the 100 yard free-style will keep up the Tino All-American tradition. Many juniors will fill in the squad: Ray Wylie is a Breaststroker, Chris Opie is a backstroker, and John Brandt a sprinter. Sophomore, Kirk Ericksen is an all-around swimmer and Freshman Brad Zinker holds the distinction of being the only frosh on the Varsity squad in Tino history. He is only a second off the 500 free-style record. Divers Joel Greene and Bob Spector will add great support to the 1975 Swimming Team.

Frosh-Soph

The Frosh-Soph swimming team has the ability to win our league this school year. They have some outstanding sophomores in Glen and Drew Bardet, Charlie Innis, Kevin Peacock. Diver Janice Avila, who was 6th in the league as a freshman, will be adding to the team's point totals. Freshmen who will be counted on are Mike Hamilton, Steve Rode, Scott Stopper and Scott Zimmer. Mr. Barnett coaches the team.

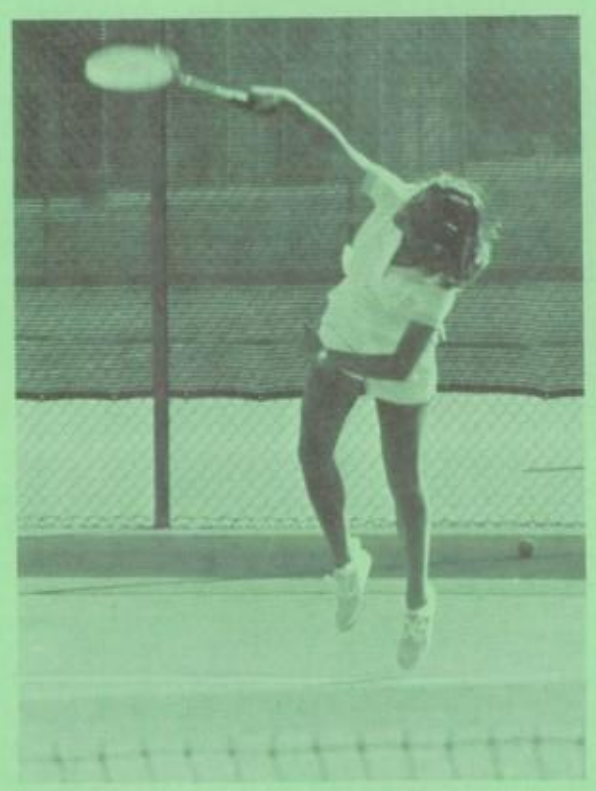
Varsity

This year's varsity tennis team showed the most promise and potential of all the teams in recent years. Most of the players worked hard in summer programs to improve their skills. The future looks good for Tino Tennis.

Anchored by number-one man, Jim Trenner, Cupertino posed as a potential league contender during the 75 campaign. History is being made this year—it is a Tino first. Diane Serafini is the first girl to compete in varsity tennis. She has been a worthy opponent against other teams and has been a tremendous asset to our own team.



Junior Varsity

The J.V. Tennis team has 19 players, two who returned from last year's fine team. Inexperience, states Coach Renner, will be the main handicap. Good potential is shown by the team as a whole. The number one seeded man is Brian Brown, followed closely by Grant Ricker, Kipp Thomas, Tom Adkins and Greg Jones. In doubles competition Kelly Swanson and Mike Kunz hold the top spot. The second spot will be filled by either Craig Beckman and Tim Jones or Keith Andre and Steve Gutke. At press time Coach Renner feels that the team may surprise many opponents.

Nugget Staff

A yearbook is a treasured possession. It is the one complete historical record of the school year. We on the '75 Nugget have poured our energies, minds and other creative juices into making this volume a remembrance that will stimulate pleasant images of your school year. Our attempt was to include all the students, staff and friends of CHS in a manner which would follow our basic newspaper theme. We spent many, many long hours compiling pictures, writing and editing articles, and designing pages, and hoping that our "radical" departure from standard books would be received well by the student body. There were times along the way when we weren't even sure we'd like the book, but as our deadlines came closer we all got behind our theme.

Our sincere gratitude goes to some very special, hard-working, people—Mrs. Saunders and the photography staff, for without their fine pictures we would never have been able to produce this issue of the yearbook. And to Mrs. Ross, our advisor, who was down here working right along with us throughout the entire year, we are also grateful. Thank you to all of those people who helped to make the 1975 Nugget News possible.

To one ding dong from another ding dong ... you know what I mean. There really isn't much to say to someone who I wrote a page in that other thing and wrote a five page letter to. All I am going to say is that you are a terrific person to be with and I hope you always stay that way. Right now I am the happiest I have been in a long time because of Bill and you know the reason. I am not going to write it down because if someone reads this I don't want it all over the whole school. I hope I will see a lot of you this summer so keep cool and stay out of trouble and you will do fine and don't worry about losing ~~the~~ weight. As you grow it will disappear. Your lucky. Well by for now.

Love always

Low Rider

COURIER - Ever since Ed "Kookie" Burns pulled a comb through his greasy pompadour on "77 Sunset Strip" teenagers have stalked and toiled to create "cherry cars."

"Cherry", a synonym for beautiful, is all in the eyes of the beholder.

Steve Miller, 18, a senior at Cupertino High School and resident of Santa Clara, spent most of his idle hours as a youth in North Hollywood watching "cruisers" in his neighborhood. Now packing a driver's license and keys to his own 1967 Buick LeSabre, he too is a "low rider."

During the summer of 1974, Miller took two Courier staff members on one of his cruising tours of First Street in San Jose. Their story is duly recorded in the August 21 edition of the local newspaper.

All Clubs Day

CUPERTINO - On November 27, 1974, Cupertino High School held its Annual All Club's Day. Many booths were set up in the school quad and the clubs showed off their wares, experiences, and ideas.

During the show, the yearbook sold pictures used in previous yearbooks; the drama club put on one of its great skits; NFL displayed their many hard-won trophies; the chess club held a tournament; and FBLA held their annual typing contest.

News 'Afoot

CUPERTINO - One quiet afternoon while the hockey, girls' tennis, and football teams were busily practicing, large dump trucks came roaring up to the football field with dust flying from their tires. They surrounded the track and attacked with might. When their dust had settled, we had new gravel on the track and Coach Eliason could be seen wiggling his toes in the white sandy surface.

Foreign Friends

CUPERTINO - CHS is very fortunate to have a number of foreign exchange students visit its campus each year. For their story see page 72 of the Nugget News.

Homecoming

Cupertino's Fourteenth Annual Homecoming Queen, Jane Zwieg, and her court are featured on page 5.

The Sting?

CUPERTINO - In the fall of 1974, Cupertino High School was hit several times with attempted burglaries. Fortunately, nothing was stolen, but much damage occurred.

One amusing incident took place on the 12th of October when vandals entered the wood shop and stole an electric drill. They proceeded to the office and attempted in vain to open the safe door. The only hangup in the plan came when the bits they took from the shop turned out to be usable only on wood. The steel and concrete door withstood all attempts to be opened.

The breakin caused only a slight delay on Monday morning when the attendance office operations were halted while repairmen fixed the safe. The last time the safe was burgled, the parents of the culprits wrote a check for $2300.

Pioneer Day

CUPERTINO - The Pioneer Day Carnival and parade was held on October 26, 1974. The proceeds from this annual event go towards scholarships for seniors. The day is sponsored by the Parent-Faculty Association, with much help from the CHS student body.

Graduation Day

Once again, CHS bids farewell to its fine seniors. The class of 1975 numbers close to six hundred members. It is one of the largest group of graduates in the school's history.

Many of the class will be attending area colleges. This class has been very academically talented as is evidenced by the number of state and local scholarships which they received.

The ceremonies will be held in the stadium with senior dean, Mrs. Laurette Cannon, presiding. Cupertino High School will long remember their enthusiasm.

Community Schools

MERCURY NEWS - Cupertino High School's Principal, George Fernandez, has announced appointment of a new "community schools" director to replace Harvey Loew, who has gone into private business.

The new director is Robert Sartwell, former Cupertino High coach, athletic director, and chairman of the boys' physical education department.

He will continue as building principal for Cupertino High Adult Education.

"My first goal is to find out the needs of the community and utilize the school facilities."

Community schools is an effort to take educational plants and turn them into year-round community use facilities which can be used by adults as well as youngsters.

One possibility Sartwell mentioned is the establishment of day care centers in the Cupertino area.

Funds for community schools programs are included in the Fremont Union High School District 1974-75 budget.

Sartwell, 37, has been head of Cupertino evening school for three years. He came here from Monta Vista High where

Bogged in Smog

CUPERTINO - September and October 1974 proved to be typical Indian summer months. The Bay Area's heat ranged in the upper 70's and 80's and was accompanied by a thermal inversion. The layer created an intense concentration of smog, the worst since 1971.

The smog-to-oxygen ratio was recorded by authorities at 28 parts per million—just below the EPA's dangerous level. Certain schools experienced horrendous side effects from the smoggy heat and reported the faintings of a few students. School administrators predict that drastic measures may have to be taken if smog conditions continue to worsen in the Santa Clara Valley.
